(2 Versions: Live Classes or Independent, online classes are available)

Overview:

- ✍ Earn a college diploma by completing Energy Medicine Levels 1&2 and meeting all requirements for a passing grade.
- ✍ Learn to channel your natural healing abilities through your hands and body
- ✍ Develop your psychic potential, opening to channel spiritual energies
- ✍ See auras, chakras, dis-ease, divas, guides and angels
- ✍ Help others to heal, grow, and evolve
- ✍ Use sound and light to transform dis-ease and heal at all levels
- ✍ Develop the ability to coach, counsel, and heal using professional inquiry, listening, and guiding skills

Major Components of Energy Medicine Level 1

- ✍ Understanding Energy – building and channeling energy in the body, developing your chi/ qi sense with Qi Gong (Chi Kung), using tools to measure qi.
- ✍ Using Natural Laws & Spiritual Principles – Universal Laws, Spiritual versus Traditional Healing, Radionics, and Connecting to Your Guides and Higher Self.
- ✍ Channeling – Defining channeling, learning the tools for protection and amplification, and interpreting messages, dreams, and events.
- ✍ Hands-On-Healing & Energy Transference – learning to build, receive, transmit and sense energy in humans, places, objects, and thoughts.
- ✍ Regression – developing the skill to travel in space and time to heal decisions and experiences that limit and to imprint positive energies to improve the present and future.
- ✍ Sacred Geometry – Understand the basics of the body as a temple of spiritual growth and evolution.

"Teachers like Janet are very few in this world. Funny, caring, loving, intuitive, she is very knowledgeable and organized. She has the amazing ability to hold your attention when she talks. The information is put together very well and easy to understand. Her explanation of how to approach techniques she teaches is very well put together."

V.B.

"The Energy Medicine Course has brought so much fulfillment for me. Janet has an amazing gift for teaching, her style makes it all easy to understand and the lecture sessions are always informative and well presented. Each module is designed and presented so methodically with just enough information in the handout and with hands-on practice of what we learn each time. Janet has such an awesome way of making everyone in class feel comfortable to openly participate, share and Janet so generously integrates personal healing when needed. I feel truly blessed to have a teacher like Janet."
